

Veeva End-to-end Product Compliance Solutions for Specialty Chemicals

Efficiency, speed and transparency are critical to success in delivering faster innovation to meet the demands of sustainability and circularity.

Veeva provides modern, easy-to-use, and unified solutions for **regulatory, QHSE, and advertising claims management** enabling Specialty Chemical companies to accelerate growth and reduce risk.

Our solutions and industry expertise **help companies bring high-quality, safe, sustainable products to market without compromising compliance.**

"Global collaboration is crucial for us. It is essential to have one source of regulatory information instead of distributed, siloed systems. High availability, reliability, and performance are key. With Veeva Vault, we have a good system in place that supports our needs."

Armin Sauer
Team Lead Global
Regulatory IT Services
BASF

"Veeva Vault Platform helped us transform and speed up our regulatory processes. It streamlines product submissions and establishes a single source of truth across all stakeholders. It provides us with the needed visibility and helps us increase our productivity."

Dr. Landry Le Chevanton
Head of RAQM/Operations
DSM

"To sustain compliance across sites worldwide, Seqens needed a robust and flexible cloud solution for managing Quality events. For this reason, we chose Veeva as our preferred digital quality solution. The flexibility of Veeva QualityOne enables us to adapt it to meet our requirements."

Stéphanie GIRARD
Global Quality &
Regulatory Director
Seqens

Veeva Solutions

Veeva's secure cloud applications help consumer goods, food and beverage, cosmetics, specialty chemical, and crop science companies bring high quality, safe, sustainable, and compliant products to market faster.
